Services

At Treiser Collins we represent clients in the litigation and arbitration of all types of business, investment, and financial disputes throughout the United States. We are also experienced in all aspects of commercial and residential real estate matters and title insurance, land use and development, zoning and permitting, like-kind exchanges, condominium-related matters and commercial and private lender representation. Additionally, the attorneys of Treiser Collins handle a wide variety of matters involving Business Organizations and Transactions and Estate Planning & Trusts.

Click the title of any of our Services to read more information.

Banking & Institutional Lending

Treiser Collins represents a variety of institutional lenders in many practice areas ranging from commercial and residential lending.

Business & Commercial Litigation

Our commercial litigation practice covers the spectrum of business relationships. Treiser Collins represents a number of large corporations as well as small start up companies and individuals.

Business Organizations and Transactions

The form of business chosen for a business entity potentially affects every aspect of its operations.

Community Association

Treiser Collins represents Condominiums and Homeowners Association in the day-to-day operations of their communities. Specifically, this means advising Property Managers and members of the Board of Directors on the interpretation, amendment and enforcement of governing documents and restrictive covenants.

Creditor Bankruptcy Representation

Bankruptcy is a unique and complex area of the law, with its own language, code, rules, forms, and procedures, and the client will benefit from representation by an attorney whose practice in the Bankruptcy area is more than just a "casual" practice.

Estate Planning & Trusts

Estate Planning & Trusts Clients can control the allocation of accumulated assets both before and after death through careful planning for the distribution of property to family members and others.

Financially Complex Domestic Relations

The law firm of Treiser Collins accepts select Domestic Relations matters. Due to the deep emotional and financial impact on individuals, families, and owners of businesses, handling such issues with the proper sensitivity and perspective requires more than a technical knowledge of family law.

Franchise, Business Opportunities and Distribution Law

We are pleased to announce that Treiser Collins now offers legal services in the focused areas of franchise, business opportunity, and distribution law.

Judgment Collection

Our law firm has a strong and well-respected practice in banking and finance law. We represent a variety of financial institutions, from small community banks to regional lenders in all phases of their commercial lending practices.

Personal Injury & Wrongful Death

Our personal injury/wrongful death practice covers a wide spectrum of cases. Our personal injury attorneys provide free consultation to plaintiff's.

Probate and Estate Administration

Treiser Collins handles all aspects of Probate and Estate Administration for estates. Probate is the legal process by which a person's will is allowed by the Probate Court.

Real Estate/Title Insurance/Closings

Treiser Collins performs real estate transactional work for a number of mortgage lenders, title companies, builders, real estate brokers, and private individuals throughout the State of Florida.

Real Estate Litigation

Treiser Collins represents a wide range of real estate owners (both public and private), developers, lenders, landlords, tenants, brokers, contractors, engineers and architects in all types of real estate disputes.
